3.2. The regional grouping representative shall supply NHRI’s from their region with all relevant information pertaining to the accreditation process, including a description of the process, requirements and timelines.

3.3. In accordance with the ICC Statute (Section 5), any NHRI seeking membership or seeking re-accreditation shall apply to the ICC Chairperson, supplying all required supporting documents through the ICC Secretariat.

3.4. These applications and support documents shall be provided to the ICC Secretariat at least four (4) months prior to the meeting of the Sub-Committee. Subject to rule 3.5 of these Rules, an Institution undergoing re-accreditation that does not comply with this deadline will be suspended until such time as the required documentation is submitted and reviewed by the Sub-Committee.

3.5. Applications and documents submitted after this deadline will only be examined during the subsequent meeting of the Sub-Committee, unless the situation warrants otherwise, as determined by the ICC Chairperson. In the event that the delay involves an Institution seeking re-accreditation, a decision to not suspend the Institute can be taken only if written justifications for the delay have been provided and these are, in the view of the ICC Chairperson, compelling and exceptional.

3.6. Any civil society organization wishing to provide relevant information pertaining to any accreditation matter before the Sub-Committee shall provide such information in writing to the ICC Secretariat at least four (4) months prior to the meeting of the Sub-Committee.

3.7. The ICC Chairperson, with support from the ICC Secretariat, will ensure that copies of the applications and supporting documentation are provided to each member of the Sub-
Committee on Accreditation.

3.8. The ICC Chairperson, with support from the ICC Secretariat, will also provide a summary of particular issues for consideration by the Sub-Committee.

4. Procedures
4.1. The Sub-Committee on Accreditation will meet after the General Meeting of the ICC in order to consider any accreditation matter under Section 5 of the Statute.

4.2. The Chairperson of the Sub-Committee on Accreditation may invite any person or institution to participate in the work of the Sub-Committee as an observer.

4.3. Additional meetings of the Sub-Committee may be convened by the Chair with the agreement of the ICC Chairperson and members of the Sub-Committee on Accreditation.

4.4 When, in the view of the Sub-Committee, the accreditation of a particular applicant Institution cannot be determined fairly or reasonably without further examination of an issue for which no policy has been articulated, it shall refer that matter directly to the ICC Bureau for determination and guidance. An ultimate decision as to accreditation can only be taken once the ICC Bureau provides that decision or guidance.

4.5 The Sub-Committee may, pursuant to Article 11.2 of the ICC Statute, consult with the applicant Institution, as it deems necessary, to come to a recommendation. The Sub-Committee shall, also pursuant to and for the purposes set out in Article 11.2, consult with the applicant Institution when an adverse decision is to be recommended. These consultations may be in the form deemed most appropriate by the Sub-Committee but must be supported by written documentation; in particular the substance of verbal consultations must be recorded and be available for review. Since the ICC Bureau makes the final decision on membership, an Institution undergoing a review retains its membership status during the consultation process.

5. Accreditation Classifications
In accordance with the Paris Principles and the ICC Statute, the different classifications for accreditation used by the Sub-Committee are:
A: Voting Member - Fully in compliance with each of the Paris Principles;
B: Non-Voting Member - Not fully in compliance with each of the Paris Principles or insufficient information provided to make a determination;
C: No Status – Not in compliance with the Paris Principles.

6. Report and Recommendations
6.1 Pursuant to Article 12 of the ICC Statute, where the Sub-Committee on Accreditation comes to an accreditation recommendation, it shall forward that recommendation to the ICC Bureau whose final decision is subject to the following process:
(a) The recommendation of the Sub-Committee shall first be forwarded to the applicant;
(b) An applicant can challenge a recommendation by submitting a written challenge to the ICC Chairperson, through the ICC Secretariat, within twenty eight (28) days of receipt;
(c) Thereafter the recommendation will be forwarded to the members of the ICC Bureau for decision. If a challenge has been received from the applicant, the challenge together with all relevant material received in connection with both the application and the challenge will also be forwarded to the members of the ICC Bureau;
(d) Any member of the ICC Bureau who disagrees with the recommendation shall, within twenty (20) days of its receipt, notify the Chair of the Sub-Committee and the ICC Secretariat. The ICC Secretariat will promptly notify all ICC Bureau members of the objection raised and will provide all necessary information to clarify that objection. If within twenty (20) days of receipt of this information at least four members of the ICC Bureau coming from not less than two regional groups notify the ICC Secretariat that they hold a similar objection, the recommendation shall be referred to the next ICC Bureau meeting for decision;
(e) If at least four members of the ICC Bureau coming from not less than two regional groups do not raise objection to the recommendation within twenty (20) days of its receipt, the recommendation shall be deemed to be approved by the ICC Bureau;
(f) The decision of the ICC Bureau on accreditation is final.
6.2 General Observations are to be developed by the Sub-Committee and approved by the ICC Bureau.

6.3 The General Observations, as interpretive tools of the Paris Principles, may be used to:

(a) Instruct Institutions when they are developing their own processes and mechanisms, to ensure Paris Principles compliance;
(b) Persuade domestic governments to address or remedy issues relating to an Institution’s compliance with the standards articulated in the General Observations;
(c) Guide the Sub-Committee on Accreditation in its determination of new accreditation applications, reaccreditation applications or special reviews:
   (i) If an Institution falls substantially short of the standards articulated in the General Observations, it would be open for the Sub-Committee to find that it was not Paris Principle compliant.
   (ii) If the Sub-Committee has noted concern about an Institution’s compliance with any of the General Observations, it may consider what steps, if any, have been taken by an Institution to address those concerns in future applications. If the Sub-Committee is not provided with proof of efforts to address the General Observations previously made, or offered a reasonable explanation why no efforts had been made, it would be open to the Sub-Committee to interpret such lack of progress as non-compliance with the Paris Principles.
