

Supporting **Independent Human Rights Institutions** to Advance Accountability for Children’s Rights

A Global Webinar Series

Independent Human Rights Institutions (IHRIs) play a critical role in the promotion and protection of children’s rights. This Global Webinar Series seeks to further collaboration with and support to IHRIs in their work with and for children.

The four-part Series will include the presentation of a series of tools for IHRIs recently developed by UNICEF and partners, as well as a range of promising practices of IHRIs in promoting and protecting children’s rights.

Guided by the tools, the Series will specifically address the following areas:

- IHRIs and Children’s Rights: Guiding Principles and Practical Approaches
- IHRIs and Promotion and Outreach with Children
- IHRIs and Child Participation
- IHRIs and Child-friendly Complaint Mechanisms

The Series is open to all and we invite you to share this broadcast widely. Questions can be sent to Adam Jones at adjones@unicef.org.
